PETITION TO ACCORD A FILING DATE

Sir:

It is hereby requested that the above-identified application be accorded the filing date of

July 30, 2002.

A copy of the original application data sheet and specification with claims is attached.

We submit that the filing date of July 30, 2002 should be accorded this application because of the following evidence:

1. Attached is a copy of the return postcard which acknowledges receipt by stamp JC25 of the Office of Initial Patent Examination of the nonprovisional application of inventors Jürgen Engel and Manfred Peukert on July 30, 2002. The nonprovisional application claimed priority to provisional Application No. 60/309,735, filed on August 2, 2001. The return postcard clearly shows our appropriate docket number 0691-073 for the nonprovisional application.

2. The front side of the return postcard shows the metering stamp in red ink made in New York on July 24, 2002. Overlapping the metering stamp is the U.S. Postal Service cancellation stamp which reads August 6, 2002, in black ink (this may not be easily seen on the attached photocopy, however, we can present the original at your request).

3. The Express Mail Post Office to Addressee label shows the application for docket number 0691-073 was mailed by next day service on July 30, 2002.

4. The nonprovisional patent application data sheet shows both the express mail number of EL 753206385 US and the Attorney Docket No. 0691-073. These correspond to the Express Mail label and the return receipt postcard.

Under the circumstances, it is believed that the date stamped on the return postcard by the OIPE indicates that the nonprovisional application was received by the USPTO. Therefore, this application should be accorded the filing date July 30, 2002 since it was mailed by Express Mail Post Office to Addressee on that date.

The Commissioner is authorized to charge any required fees, including any extension and/or other fees, or credit any overpayment, to Goodwin Procter LLP Deposit Account No. 06-0923.

Date: November 20, 2003

Respectfully submitted for Applicant,
